2014 Sidewalk Gap Project  
Notice of Potential Sidewalk Construction

Dear Resident:

Each year, the Shelby Township Sidewalk Committee puts together a sidewalk gap priority list for the major roads in our community. This priority list is based upon safety concerns for our pedestrians and bicyclists. Although your property is not on a major road, the absence of a sidewalk is still considered to be a safety concern for pedestrians. This year, your property has been selected for the priority list. If selected for construction, the sidewalk will be constructed just outside of your property within the Macomb County Road Right of Way. If you have any concerns or questions, please contact myself or the Shelby Township Sidewalk Committee by email or letter. My email address is [carol@fazalkhan.com](mailto:carol@fazalkhan.com). The Sidewalk Committee's Chairperson's, Craig Kenneth Cowper, email address is [clerk@shelbytwp.org](mailto:clerk@shelbytwp.org). If you wish to attend a sidewalk committee meeting to state your concerns in person, the committee meets the second Tuesday of each month at 5:00 pm at the Township Municipal Offices. Another letter will be sent to you prior to the start of construction.

Sincerely,

Fazal Khan & Associates, Inc.
